EDUCATION

Miami University, Oxford, OH

Expected Graduation: May 2026

Bachelor of Arts, Overall GPA: 3.65/4.00

Major: Emerging Technology in Business and Design **Minor:** Communication Design

Study Abroad Spring 2025: Dublin City University, Dublin, Ireland

PROFESSIONAL EXPERIENCE

Teacher's Assistant for Branding Studio, Oxford, OH

January 2026 - Present

Art 352 - Communication Design Studio

- Mentored and evaluated 20 students through branding projects, facilitating feedback on concept development and execution
- Met regularly with students to provide guidance, answer questions, and ensure they felt supported throughout their projects, fostering a collaborative and motivating learning environment
- Designed and led interactive lessons on logo animation, teaching students to create professional motion graphics using After Effects and Premiere Pro

WMSR Redhawk Radio Club, Oxford, OH

August 2023 - Present

Programmer/Web Designer

- Managed scheduling for 20 radio shows per semester, coordinating recording sessions, and ensuring all technical equipment functioned smoothly for seamless broadcast operations
- Designed and re-launched a centralized website that aligned with station branding, improving user experience for both hosts and listeners for easier navigation
- Collaborated with a 10-member executive board to plan events, coordinate outreach efforts, and implement strategies that expanded the organization's presence and engagement across campus

Freelance Web Designer, Mackinac Island, MI

May 2025 - August 2025

Web Designer

- Built and launched a custom Shopify website in collaboration with a small business owner, Urvana's on Mackinac Island, translating brand vision into a functional e-commerce experience
- Produced and styled product photography for over 200 items, carefully arranging each piece to highlight its unique features, maintaining consistent lighting and composition, and developing a cohesive visual system that enhanced the overall look and feel of the website
- Optimized site structure and product organization to strengthen usability and customer navigation

SPECIAL PROJECTS

Print Media Pins

January 2024 - May 2024

IMS 228 - Collaborative Lab

- Repurposed four discontinued PEOPLE Magazine issues into 110 physical artifact buttons
- Researched perceptions of print media through 15 interviews
- Challenged traditional news presentation by exhibiting the work across campus as a distributed installation next to newsstands with a sign that read "if you won't read it, wear it."

The Bear Title Sequence

August 2023 - December 2023

IMS 430 - Motion Design Toolkit

- Analyzed four hours of footage to craft and animate a dynamic title sequence

Ellie Irish

Designing Across Every Medium

ellieirish6@gmail.com • ellieirishportfolio.com • www.linkedin.com/in/ellie-irish

- Selected as one of five students to present work at the Student Exposition
- Created motion graphics using Adobe After Effects to convey narrative tone and pacing

RoomRite App

January 2023 - May 2023

IMS 322 - Intermediate Interaction Design & IMS 351 - Intro to Mobile App Dev

- Conducted user research on college chore management, creating detailed personas, mapping workflows, and designing wireframes to identify pain points and uncover opportunities for improving user experience
- Designed interactive prototypes and implemented gamification features in Figma, enhancing user engagement and providing a clear blueprint for app development
- Built and launched a fully functional iOS app using SwiftUI, integrating core features and ensuring a seamless user experience from concept to deployment

OTHER EXPERIENCE

Pink Pony, Mackinac Island, MI

June 2025 - Present

Bar Back

- Solely managed high-volume bar operations by restocking three bars simultaneously to maintain seamless service during peak hours
- Oversaw weekly inventory deliveries, maintaining accurate stock levels at the busiest bar in Michigan
- Anticipated bartender needs by proactively preparing supplies and organizing the workspace, ensuring efficient service and reducing downtime during peak hours

Patterson's Café, Oxford, OH

August 2024 - Present

Barista/Bartender/Server

- Balanced drink preparation, between coffees and alcoholic beverages, and customer service in a fast-paced environment, serving bar and table guests simultaneously
- Streamlined order and service processes, boosting team efficiency and reducing wait times for patrons
- Trained and mentored new hires, guiding them through drink preparation and customer service best practices to ensure smooth team performance
